DOUBLE VISION

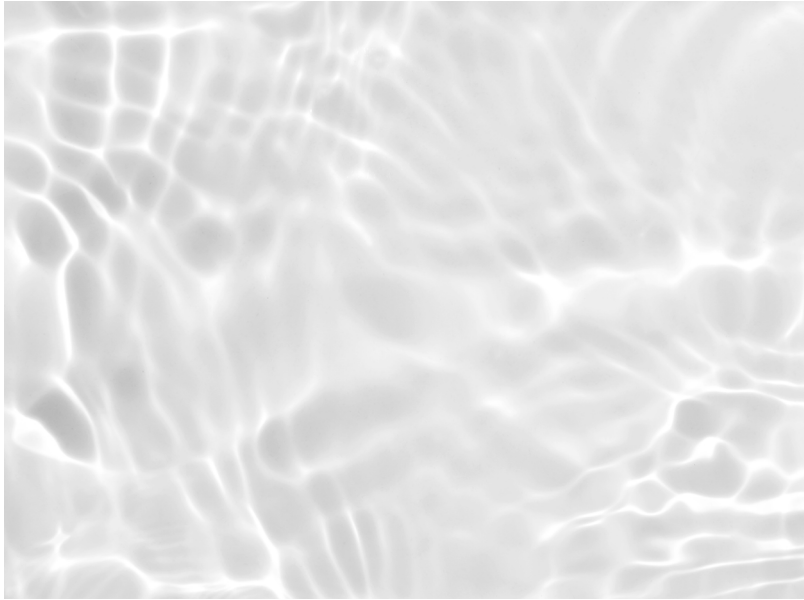

DoubleVision позволяет играть с освещением и создавать уникальные эффекты, которые подчеркнут индивидуальность вашего помещения
DoubleVision Technology allows to play with the lighting by creating various effects, that emphasize the individuality of your room.
DoubleVision vous permet de jouer avec l'éclairage et de créer des effets uniques qui souligneront l'individualité de votre pièce.
DoubleVision pozwala modyfikować oświetlenie i tworzyć unikalne efekty, które podkreślą osobowość pomieszczenia.
